NEXILIS GROUP LLC

GOVERNMENT & COMMERCIAL SOLUTIONS

CAPABILITY STATEMENT

Connecting requirements with qualified capabilities. Nexilis is a St. Louis-based small business that serves as prime contractor and single point of coordination, assembling vetted subcontractors and suppliers around each government requirement and owning communication, pricing, documentation, quality control and performance.

CORE COMPETENCIES

- **Contract coordination & program support:** one accountable point of contact from award through closeout, including scheduling, reporting and COR communication.
- **Facilities & building services:** janitorial, custodial and facilities support delivered through qualified local partners.
- **Grounds maintenance:** landscaping, weed control and seasonal services through licensed providers.
- **Administrative & management support:** office administration, management consulting and professional training.
- **Marketing & communications:** outreach, marketing consulting and advertising support.

DIFFERENTIATORS

- **Single point of accountability.** Nexilis retains responsibility for performance, quality control and invoicing, and conducts independent inspections of partner work.
- **Right-sized teams.** Partners are selected for each requirement by location, licensing, insurance and relevant experience.
- **Compliance-first.** Service Contract Act wage determinations, limitations on subcontracting (FAR 52.219-14) and security/badging requirements are planned into every bid.
- **Responsive and local.** Based in St. Louis, Missouri, with nationwide partner sourcing.

APPROACH

Understand the requirement → qualify the right partner → price with full cost and wage compliance → deliver with a written quality control plan → report and close out on time.
